

***The Husky Stars are showing us the way  
In our learning and our play  
Every single day.***

Let me tell you about a coastal school  
Where all the students are really cool  
Huskisson ..... Public school

We play and learn and discover  
from our teachers and each other  
Huskisson ..... Public school

In our uniforms we all look great,  
We learn to share and be good mates  
Huskisson ..... Public school

***CHORUS***

In the class we try to do our best  
In sport to rise above the rest  
Huskisson ..... Public school

Our school values are the Husky Stars  
To make us good citizens and take us far  
Huskisson ..... Public school

We share our learning at our school  
With parents and community too!  
Huskisson ..... Public school

***CHORUS X2***
