Principal's Message

The success of the Great Husky Fair exceeded all our expectations. The favourable weather attracted a big crowd from our own school community, tourists from afar and many triathlon athletes competing on the Sunday.

Last week I emphasised how vital the support of the school community was to the success of the day. Thank you to all from the school community who generously supported the Great Husky Fair. You certainly did make the day vibrant, energetic and highly successful.

Myles from 3/4 Sharknet started the day with Welcome to Country in Dhurga, before our Circus Troupe energised the crowd with their circus tricks.

The day just kept rolling on, with the crowd enjoying tasty treats, a variety of stalls, food outlets and community performances from dance, sporting and

fitness groups. Our choir and dance troupe also performed and wowed the crowd.

The mega raffle, the silent auction and the chocolate wheel were popular. These were all made possible by generous donations from parents, local businesses and businesses from afar. All I can say is "Thank you, Thank you, Thank you"

Staff and the P&C are still tingling with excitement about the success of the inaugural Great Husky Fair. There was so many positives about the day.

The "Great Husky Fair" would not have been possible without the team ethos that is so prominent in our school and local community.

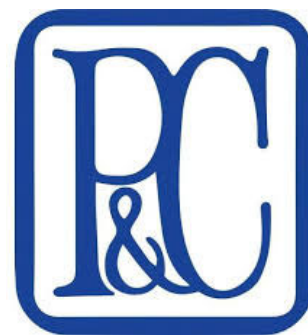

Contributions came in many ways. Prizes, financial donations, equipment, labour and time.

I know on behalf of the school I have many people to thank. But I'm sure the P&C working party and staff would all agree, Julie Short was absolutely amazing in her efforts and success in gaining support and

donations for the day. Thank you Julie for your tireless efforts. We are going to miss your contributions to the school when Tanner moves onto high school.

Glenn Sansom - Principal
