The Husky★Star

Term 1 Week 3, 14 February 2019

Responsible Students

Principal's Message

All schools talk about the crowded curriculum and the many demands placed upon them, from community interests and outside organisations. Last year we trialled "Fuss Free Weeks", as a way of managing these demands. That meant, during certain weeks of the term, no performances or extra curricula events were organised. It unfortunately wasn't very successful. This year, we are trialling "Fuss free Mondays". We are making all attempts, to not book any performances or any extra curricula activities on Mondays. School planning has also been taken into account. The Release from Face to Face program (Preparation time for the class teacher) is on Tuesdays and Wednesdays, keeping Mondays free for students to be with their class teacher. Monday's is a library day, but this is when Mrs Hanson and the class teacher, team teach, to deliver the class program. Monday was chosen, so all students have a great start, to their week of learning.

New Fence installed

On Wednesday, Bay and Basin Fencing, came and installed the new fence. After overcoming a few challenges with tree roots, the fence took shape relatively quickly. In a day, it was up and almost complete. The following day, they returned to fit the sleepers.

A big thank you to all who sold chocolates, bought chocolates and ate chocolates. It was a real community effort.

The biggest thank you, must go to Karla Smith, who was the inspiration, coordinator and manager of the whole project. A great achievement, that adds to the safety of our students.

Carpark Safety

The school has two carparks reserved for staff. Please think safety first when bringing your child to school.

Park outside the school grounds. Exception to the rule is parents accessing Kreative Kidz (Before and After School Care). If walking with your child, please enter by the pedestrian gates.

This supports the safety of your child and the other students.

Signs have been erected, to remind our school community, that your child's safety is paramount.

Thank you Sonny and Kate Walker for designing and manufacturing these signs.

Achieving

Tolerant

Safe

Mathematics Whizz

In mathematics today Mrs Watson set me a challenge. My number was 23567 and I had to write the number again and again, subtracting by 100 each time. In three minutes, I was able to reach 20467. How cool is that!

Lucas - Year 4

Special Religious Education (SRE) and Special Education in Ethics (SEE) Participation Letter

Included in this week's Husky Star, is a participation letter for SRE and SEE. If you'd like to make any adjustments to the current arrangement for your child, please complete and return.

Whole School Assembly

Our first assembly for the year is tomorrow at 2pm. We will be celebrating our great start to the year. Merit cards will be presented for students who have demonstrated excellence in one or many aspects of learning.

See you there!

Swimming Carnival

3/4 WhiteSands Sizzling Starts about School.

Stage 2 WhiteSands have been learning about imaginative texts. The students have been practising writing Sizzling Starts. The purpose of a Sizzling Start is to hook the reader into wanting to keep reading. These Sizzling Starts will make you want to keep reading.

Fire

We were walking to school on a normal Monday morning. When we got there, there was nothing there. Just a whole heap of ashes. I tried to scream but nothing would come out. BANG! I saw someone run up the big tree. It had a secret passage world. I wondered who it was.

By Eadee

Zoo School

As I got to school I couldn't believe my eyes. The whole school was a zoo. It smelt like poo. Lion poo, monkey poo and goat poo. It stunk. I felt annoyed but also excited. When I first walked in I saw the penguin enclosure and the turtle enclosure. All I could hear was neh, snap, peacock and lots of other sounds. I wondered what was going to happen next.

By Madi

As I came to school I saw the school was burnt. I called 911 they came to my school and put out the fire out. The school was burnt.

By Ronnie

Sick

Bing Bang! "No school Mum" I said. "At school everyone is sick. You do not need to get ready. There are no students and no teachers."

By Brodie

Missing School

I was on my way to school. I was feeling very excited because today we were going swimming. I looked school was not there. I could hear trees blowing. I felt sad because I wanted to be a school.

By Ruby

Water Park At School

Boom! Crash! Bang! I couldn't believe what I saw. A water park dropped from the sky. Woowooow it was so cool. I ran to the toilets and put my swimmers on. I ran to the water slide and slid down. It was so fun.

By Lilly

Bomb

BOOOOOM! Crash! Bang! "What is going on, is that a bomb?" screamed Jeffery. "It must be because I smell smoke" said Kanatol. "Mwha ha ha" shouted someone with a deep dark voice. "Who is that?" said Mr Bonkas.

By Jackson and Sarah

The school I go to has only Kuriboh. One of the Kuribahs names is Tayla. He was one of the best Roblox players and Niki too. Niki turned Roblox into a sandwich.

By Corey

School

What! Why? I'm at school, shouldn't I be at home doing my morning routine to get ready for school. I smelt pancakes. I hear my mum calling me.

By Ayva.

One day I heard a noise the school was getting turned into a zoo. What about the classrooms. The next day the school was a zoo.

By Levi

School

I was at school and then the work came to life. Everyone screamed, I ran. I saw a red button. I pressed it and the bookshelf moved. There was a secret passage. I went in.

Week 10—Early Stage 1, Collingwood

School Communication

Please note that Huskisson Public School uses Skoolbag for parent communication. It is highly recommended that you download the app so that you can stay abreast of all that is happening in our school.

The P&C also have a Facebook site that informs parents and community members of current events and social groups.

The school also has an Instagram page that gives people a quick snapshot of what is going on in classes. This site is managed by the school and requires all followers to sign a compliance contract to ensure the safety of our students.
