The Husky Star

Term 2 Week 6, 6 June 2019

Principal's Message

Thank you to the wonderful volunteers who helped out in the canteen yesterday. It is nice to know that when push comes to shove we can pull together to ensure our children get a nice surprise in the canteen. In two weeks time it is Stage Two's turn to volunteer, so please start checking your diaries to see if you can lend a hand.

This week we welcome the rain back to Huskinson. Due to the strong winds we have a tree that has come down and many branches in our playground. We are in the process of ensuring that this is a safe environment for our children. If you see anything we have missed in our playground assessment please let us know.

Environmental Expo

Today our Stage 3 students accompanied by Mrs Hanson, Mrs Matthews, Larissa and Elisha are in at the Shoalhaven Entertainment Centre taking part in the World Environment Day celebrations. Our school were invited to attend this day, because of our ongoing dedication to environmental issues. Our Drama group performed as part of Anthony's presentation. What an amazing honour this is to be invited to such an event and a testament to Mrs Hanson's continued hard work and dedication in this field.

South Coast Public Schools Dance Festival

Last Friday and Saturday our dedicated dance troupe performed at the South Coast Public Schools Dance Festival. I was fortunate enough to attend to assist Mrs Norris with the HPS students. I was so very proud of our dance troupe and their behaviour during this exhausting festival. With makeup and costume preparations starting from 4.30am on Friday morning and rehearsals and performances until late Saturday afternoon. This was a fantastic opportunity for our students, as many of them are not regular dancers. They got to experience the professional manner in which a festival of this size operates and the thrill of performing in front of a large crowd. I look forward to watching everyone's reaction when you perform at assembly in the coming weeks. Well done dance troupe. (Photos inside)

Welcome Back Mr Sansom

This is my last Husky Star as relieving Principal. On Tuesday we welcome back Mr Sansom from his adventures. I know the students and staff are looking forward to hearing about his travels and having him back on board for the remainder of the school year. Thank you all for your support, whilst I have acted on his behalf, it reinforces for me, how fortunate I am to be at Husky Public School.

Book Fair Wrap-Up

Last week I talked about the generosity of friends and families in our school community when it came to the Book Fair. Not only did we exceed our goal in sales but every teacher was gifted a book that was kindly bought and donated to their classroom collections. A sincere thank you goes to these families and friends of Huskisson PS: Goodwin, Norris, Pearsall, Freund/Wood, Clark and Gough.

Superheroes, creatures, princesses, villains, performers, live animals, and a host of other book characters were all features of this year's Parade of Characters. A gigantic thank you goes to all who made the effort to help our youngsters create the best costume ever and to prepare for the interview. Teachers reported that it was very difficult to choose just one winner in the class and most took it to a class vote to determine the best performer. Well done to everyone who participated and congratulations to the following students for being selected as a class winner:

Class	Student	Character
K Collingwood	Kade	The Grinch
½ Moona	Emelia	I Love my Family
½ Tapalla	Addison L	Cat in the Hat
½ Sailors	Ruby	Cat in the Hat
¾ Sharknet	Ruby	Greatest Showman - PT Barnum
¾ White Sands	Lucas	Willy Wonka
5/6 Voyager	Andy	Puss-n-Boots
5/6 Currambene	Axl	Alpacas with Maracas

Library News Week 6

Visiting exhibits, admiring sculpture projects, attending performances, participating in enviro-activities and meeting celebrities were just some of the undertakings that the Stage 3 students did whilst at the Shoalhaven Environmental Expo on Wednesday. Our day was jam-packed full of entertainment and educational activities all supporting our love of the environment. The highlight of the day for the Voyager drama group was their performance of the "Plastic Pollution Unit Play" to a large studio theatre audience. Others enjoyed their brush with fame in meeting up face-to-face with the "War on Waste" guru Craig Reucassel. One person was even interviewed on the radio! As guests of the Shoalhaven City Council our students had the big job of experiencing as much as they could around the entire expo. Next week they will be providing valuable feedback to the SCC so that student experiences will be even better in years to come. A special mention goes to my support team who helped manage all students in a very crowded venue. Thank you to Mrs Matthews, Ms Lewis, Larissa Wheeler and Elisha Ford for being there!

The Great Husky Fair

What can you do to help at this stage:

If you are a business owner or have contacts think of a donation for the silent auction or raffle.

If you are a market stall operator (NOT FOOD) book a spot with Aimee to secure your market position.

If you are a member of our school community, think about a stall that could raise some money for our school.

Get enthusiastic and think big, this will be our major fundraiser for the year.

For further information, please contact Aimee Gjeci via the front office.

Silent Auction

As part of the Great Husky Fair we will be holding a silent auction. Silent auctions are auctions held without an auctioneer. People place their bids on sheets of paper instead. They're often used by charities to raise money, but they can be tricky to put together. With good planning, however, it's easy to set up an auction and get the most out of your items. Soon enough, you'll have raised a good amount of money in just a few hours! All we need are some really top auction items. These are generally the bigger items, like a weekend of accommodation in an airbnb or unique artwork from a known local artist. If you know of anyone who would be willing to donate a silent auction item, please let us know via the front office.
