# The Husky★Star

Term 2 Week 7, 13 June 2019

## Principal's Message

Thank you to staff, students and parents for such a warm welcome back after my leave. Ireland is a truly beautiful country, with an interesting and rich history. My family and I travelled to the most southern tip of Ireland following the Wild Atlantic way around the coastline to the most Northern tip. There were many highlights, but perhaps being in a different country experiencing a different culture was the biggest highlight.

I'd like to acknowledge Ms Greta Lewis for the excellent job she did as Relieving Principal. The first six weeks of term was a very busy time, involving many important decisions regarding staffing, students, asset management and curriculum. Ms Lewis handled the role in a confident and decisive manner, maintaining a positive and engaging learning culture.

At an executive meeting on Tuesday afternoon, where I was updated on all that had happened in my absence, Ms Lewis stressed how the enormous contributions of her executive - Assistant Principal Mrs Watson and Relieving Assistant Principals Mrs Norris and Miss Roose had made the role possible. This was also complimented by a hard-working and supportive staff.

## See Change Sculpture

A few weeks ago, it was mentioned in the Husky Star our Stage 3 students had participated in an environmental sculpture workshop with well-known sculpture artist Akira. The sculptures were entered in the SeeChange Sculpture Competition with excellent results.

Congratulations to Daniel and the group Kymmie, Jessie, Sienna and Hayley, who took out the two prizes for winning sculptures.

## Parents Beware!

The council has marked a new yellow line on the corner of Watt St and Park St on the school side. This indicates that there is no parking or stopping. At the moment police are issuing polite warnings to any motorist parking on this line. The yellow line and its function has been pointed out to a couple of parents over the past week. However the period of grace is only short lived and soon they will begin to issue fines. So please ensure you do not park in this area.

## Vincentia Cakes and Pies

At the P&C Meeting this morning, it was mentioned that Vincentia Cakes and Pies, had donated a tray of cakes and pies for our BBQ and Cake Store at the District Cross Country.

Thank you to the proprietors of this local store. Your contribution helped the school make a valuable \$1000.

## AFL Knockout vs Vincentia PS

Yesterday our school played Vincentia PS in the first round of the PSSA State Knockout. In a closely contested match, Vincentia PS progressed to the next round with a 32 to 22 victory. Thank you the parents that transported the students and to Nathan (Coach) and Lani (Goal Umpire) Malmborg and Kelly Halls (Goal Umpire) for your special contributions.

I am looking forward to seeing everyone tomorrow at assembly.

## Library News Week 7

Whirlwinds are something we study in science and I can definitely say that I have been caught up in one over the past few weeks! The Book Fair was a success and we are now ordering new books for the library based on some of the popular choices from the fair. World Environment Day was a hit for all the Stage 3 learners and this week they were able to give some valuable feedback to Shoalhaven City Council on how to make their next expo even better. Thanks Years 5 and 6 for being such awesome students.

Now that we are back into a regular routine with library lessons it is important to support your child with reading and returning books promptly. We have 126 overdue books which means that some of the more popular titles cannot be accessed by those who really want them. Even if it is not a library day it is ok to pop the books into the library for a safe return or re-borrow. Should a book be misplaced or suffered some other misfortune it can be replaced by a book of equal value or paid for. Should you need information on how to go about clearing up overdue books, please send a note to either myself or Mrs Clark. Overdue notices will be handed out next week so that we can manage them by the end of the term.

contributions  
for the silent  
auction and raffle

### The Great Husky Fair

What can you do to help at this stage:

If you are a business owner or have contacts you can think of a donation for the silent auction or raffle.

If you are a market stall operator (NOT FOOD) book a spot with Aimee to secure your market position.

If you are a member of our school community, think about a stall that could raise some money for our school.

Get enthusiastic and think big, this will be our major fundraiser for the year.

For further information, please contact Aimee Gjerci via the front office.

**DONATIONS**  
-ACCEPTED-

Do you have an airbnb? If so would you be interested in donating a weekend for our silent auction?

Are you a market stall holder? If so please book your place at the Great Husky Fair—\$50 site fee.

Are you a member of a performance group? If so come and perform on the main stage at the Great Husky Fair.
