The Husky★Star

Term 2 Week 8, 20 June 2019

Principal's Message

Great Husky Fair

Today the banner for "The Great Husky Fair" in November was displayed on our fence facing Sydney St. The banner is very impressive and is truly a work of art. On behalf of staff and the P&C, we thank the Campion family who donated all materials, artwork and time to make the banner for our major school fund raiser. If you see Clayton or Kelly please thank them for their generosity and good will.

The Great Husky Fair will rely on many gestures of this nature to ensure it's a success. If you can think of a way you can support The Great Husky Fair come and have a chat. The committee, led by Aimee Gjerci are already very busy making sure it will be a special day.

Staffing

Mr Vidler is in Newcastle this week with the State PSSA Under 11s Rugby League Team. Mr Vidler is the Manager of the team. NSW, Qld, ACT, South Australia and ACT all compete to be National Champions. It does usually come down to NSW vs Qld in the final.

Go the Blues!

NAIDOC Week

Organisation and planning for NAIDOC Week are well underway. We will celebrate and acknowledge the contribution of Aboriginal Australia during the last week of term July 1 to July 5. We are very pleased to have the Aboriginal Dancers from Vincentia High returning this year to conduct workshops with our students. Performances of the dances will be at the special NAIDOC Assembly on Monday 1 July at 12.15pm. A timetable of all events will be distributed next week.

2040

All schools in the Bay and Basin Learning Community have the opportunity to view this highly acclaimed, thought

provoking film. The film is very consistent with the Critical and Creative Thinking we do at Huskisson Public School. It poses to the audience, questions about how we can shape the future.

Although the message is for all concerned citizens, the movie is best suited to our four primary classes. The \$5 cost has been significantly subsidised.

Look for the permission note in your child's bag today.

Chicken Pox Alert!

Cases of chicken pox are still being reported at school. Please be vigilant. If you suspect your child has chicken Pox please go and see your local doctor before sending them to school. Keeping students isolated from other students is the only way we will break the cycle.

Library News Week 8

Kindergarten never ceases to amaze me! Not only are they the best borrowers and returners in the school, but they are absolutely smashing through their log-in process on computers. It was only a few weeks ago that they were learning to find the letters of their

names on a keyboard as well as the trickier "Control, Alt and Delete" sequence, but they are nailing it now! This week they also looked through our windows icon to find an internet browser. I am looking forward to challenging them with more keyboard exercises.

Ms Roose and I were able to attend the InteractEd Technology day at the University of Wollongong on Tuesday and we both came away with spinning heads full of new ideas for our staff and student tech learners.

It was a professionally run day jam-packed with workshops and breakout sessions and included tours of the UoW MakerSpace and the Children's Discovery Lab. Wow, if only we had the space (and the money)! One of the

most important messages that we came away with is that our students are being exposed to the right skills when it comes to 21st century learning, but that a real balance in physical and mental well-being is most essential.

OVERDUES! A big thanks to all who dug deep to find those overdue and missing books. Our list is just under 100 so even more of an effort is needed to search and return overdues to their temporary home in the library. Many of the books that are still out are new titles that are in high demand. Please act on any notices that your child brings home so that we can keep those books in circulation.

Thanks! Mrs Hanson

Collecting for Hampers.
