## Principal's Message

### Gymnastics

Our exciting week started with students completing their last session of gymnastics for the term. Over the six weeks the program introduced students to the fundamentals of gymnastics. Feedback from students was positive. They enjoyed the new challenges and experiences. All class teachers observed progress in all students. Many grew in confidence, skills and resilience.

### Leichardt PS

On Tuesday morning we were very privileged to an entertaining performance by the Leichardt Public School Band as party of their South Coast Tour.

It was an entertaining performance full of popular or well-known songs. I had a conversation with the Principal of the Leichardt PS and complimented his students on their talent and promotion of Public Education.

Thank you Leichardt Public School we appreciated and were inspired by your performance.

### Threatened Species Competition.

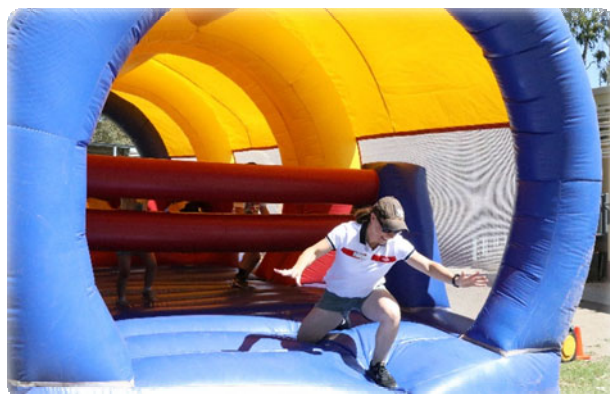

Mrs Watson and Miss Leslie are feeling very proud after receiving some elating news today. The 3/4 students entered the Shoalhaven Threatened Species Competition at the end of last term. The students all researched an endangered animal and created an information report as well as completing an artwork. These were all of a very high standard and this has been acknowledged by the Shoalhaven Council. Not only have we won first, second and third prize, ten students also won books, three students won gift cards and two others won pencil cases.

Well done Stage 2!

### Celebration Day

Wow what a day of celebration! The students challenged themselves on the obstacle course, enjoyed the local beaches, tucked into a tasty lunch and cooled themselves down with zooper doopers. In the afternoon after all the excitement there was quiet time with an afternoon movie or craft. Today lots of parents

commented on how well the students slept last night and lots of students commented "It was the best day ever".

Our visitors commented on the cooperative behaviour of our students and the positive culture of the school.

A very successful Day of Celebration, made possible by the outstanding commitment of the staff and the outstanding behaviour of our students. A slideshow is on display in the foyer.

## Fight Cancer Foundation

Mrs Watson received a lovely letter today acknowledging the school's efforts in raising money for the Fight Cancer Foundation. Our contribution of \$212 will help kids continue their education during treatment and recovery.

See the letter enclosed in this week's Husky Star.

# Fight Cancer Foundation™

*Giving hope. Saving lives.*

November 28, 2019

Ms Katrina Watson  
Huskisson Public School  
Sydney St  
HUSKISSON NSW 2540

Dear Ms Watson

Thank you for finishing strong for kids with cancer this Footy Colours Day season!

The money you raised helps kids living with cancer to continue their education during treatment and recovery through our education support programs.

Operating in four major paediatric hospitals across Australia, Fight Cancer Foundation's programs ensure no child or young person living with cancer is educationally disadvantaged by their illness. Through a mix of face-to-face and online learning sessions the programs help young learners keep up with school.

Without your support we wouldn't be able to help these kids during a time when they need it most.

Please pass on our thanks to everyone involved in your Footy Colours Day event for wearing their footy colours with pride.

Enclosed you will find your 2019 Certificate of Appreciation. We hope to see you again for the Footy Colours Day team selection in 2020!

Yours sincerely

Eric Wright  
Managing Director

# 2020 Bus Pass Moratorium Period

Nowra Coaches has been advised that a review of the school free travel moratorium period, previously 8 weeks has now been reduced to **4 weeks** at the start of each school year.

This will assist bus operators to manage student loadings and make changes to services much earlier in the year as required.

**Applications for 2020 opened 14 October 2019 so the earlier students register the better.**

Drivers will encourage students in the first 4 weeks to register as soon as possible to avoid being denied travel.

Nowra Coaches will commence printing of passes for all registered students mid January to ensure the bulk of the passes are at the schools the first day of Term 1.

The following links provide information for parents regarding the application process.

To Apply - <https://apps.transport.nsw.gov.au/ssts/#/applyNow>

To Track the Application - <https://apps.transport.nsw.gov.au/ssts/#/trackApplication>

Once the student has been approved by Transport for NSW they can travel with the approval letter until such time as their pass arrives. Please note the drivers will still confirm their details with the office until the student is holding the physical bus pass.

Until such time as the approval letter is received a fare must be tendered to use the service if it is after the initial moratorium period of 4 weeks from start of Term 1.

If a student is denied school free travel by Transport for NSW due to living too close to the school, they can purchase a pass from our office. The term/year pass fee for 2020 are below:-

Term Pass \$65

Year Pass \$200

If a pass is lost, stolen or damaged a new pass can be purchased from our office. The fee in 2020 is \$15.00.

If you have any questions regarding the above or School Free Travel in general, please don't hesitate to contact our office on 4423 5244.

Kind Regards

Management
