Principal's Message

Our school is alive and thriving. Our children are environmentally aware, and our community is a supportive place for our young to grow.

For the past three days, I have been fortunate to take part in the Principal Induction program. This conference has provided me the opportunity to meet with Karen Jones, the Executive Director, Aboriginal Education and communities, where she encouraged us, here at Huskisson to maintain our attention to inclusive education for all students. It impressed her to hear how our school operates and the important partnerships that are forming in our community. I have also been lucky enough to spend some time with Nicholas Danta - Engagement lead, Disability Strategy Implementation Team, to learn more about trauma-informed practice and the recently implemented Disability Strategy. We were addressed by The Honorable Sarah Mitchell, Minister for Education, Mark Scott, Secretary NSW Department of Education and Murat Dizdar, Deputy Secretary, School Operations and Performance and we put them on the spot to answer many difficult questions about the enrolment policy and equity in our schools.

I have gained lots of new skills and am super excited to bring my learning back to Huskisson Public School. By far the most important thing that I have learnt this week is - "when you point a finger at someone, there are always three fingers pointing back at you?"

Shoalhaven District Basketball Tryouts

Yesterday, we had 4 students from Huskisson Public School tryout for the Shoalhaven District basketball team. Evie, Yuki, CJ and Tyler fought hard to show off their skills in what was a very competitive arena.

There were reports of other players making our CJ look small, which is difficult to even imagine! Evie was successful in making the girls team and Tyler and CJ have been selected as re-serves, also being the only Year 5 boys to try out on the day. Well done to all students involved.

Staff Development

Who said staff meetings weren't fun? On Tuesday at our weekly staff meeting, the 'Tech Team' of teachers being Miss Loui, Mr Frost, Mrs Hanson and Mrs Jenkins presented great ideas to the staff. They demonstrated activities and opportunities in the classroom for 'unplugged' coding and STEAM challenges to get young minds thinking critically and creatively. There was a competitive relay in the library where the teachers had to solve coding problems with pens and paper! We are very fortunate to have so many teachers skilled in a variety of areas and that they are willing and excited to share their knowledge with their colleagues.

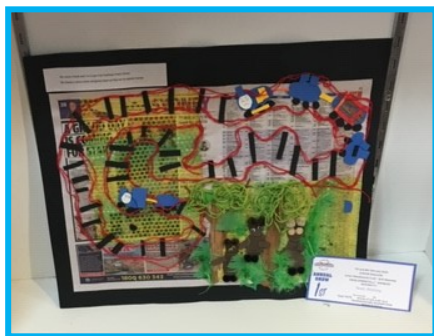

Greta Lewis

Acting Principal

Together we are Stronger and Smarter

Success at the Show

When Nowra Show came to town, Noah wasn't going to pass up the opportunity to enter into one of the many competitions offered to school-aged children. With the help of Pat to gather the materials needed, and after lots of hard work, Noah's grizzly bear and train inspired masterpiece came 1st in the 'Article of Soft Craft' division. Congratulations Noah!

Wednesday!

War on Waste Starting at HPS

Students at Huskisson Public School have a keen interest in the environment especially when it comes to plastic pollution. This week our special visitor Anthony Hill from Plastic Pollution Solutions came to our school to help students understand how we can make our beautiful school even more environmentally friendly.

Anthony led our Green Team on a litter audit of the school grounds to first work out what sort of waste was being left in our playground. Then the students sorted the rubbish before logging their discoveries with the Australian Marine Debris Database at Tangaroa Blue.

What did the kids find out? They discovered that we have some problems when it comes to waste and will soon pose some solutions to their findings. The Green Team looks forward to presenting their ideas to our school community in the future.

Anthony also surprised some of the other classes with a mystery activity involving his beautiful van, Bev. Both Tapalla and Sailors had a short informative talk with Anthony before exploring the brilliant underwater scenes painted on his van. The students also discovered some of the human impact of plastic pollution within the artwork as well.

All other classes had the opportunity to explore Anthony's artistic van, which opened up great conversations about the state of our oceans. Thanks Anthony for a real hands-on learning experience. We look forward to putting our solutions into action in our own War on Waste!

Sports Report

Swimming

Last Friday was our School Swimming carnival for 2020. Firstly, I would like to thank all of the parents and family members that came along on the day to support our students, especially those that were able to assist as timekeepers during the carnival. Being a smaller school we do rely on the support of our wonderful parents to help the day to run smoothly. After a few unexpected events in the morning we were able to get the day back on track and be able to enjoy a relatively relaxed carnival. Congratulations to all of the children for their involvement during the day. It was wonderful to see so many children compete in the various events. Finally, well done to the House Captains. They were able to organise their relay teams and keep their competitors informed throughout the day. The results and placing of each race are published at the end of this week's newsletter with age champions and final scores to be published next week.

The District carnival is to be held at Nowra Pools on Thursday 27th February. This year's District carnival will be a lot different to what we experienced in the past. As we have combined with Nowra to form 'Shoalhaven PSSA', there will obviously be more schools involved and therefore more competitors and greater competition to gain entry through to Region. With over 20 schools involved parking will be at a premium. You may wish to arrive early to find adequate parking.

Trials

There are lots of District trials during the beginning of the year for our students. This week we had students attending the Basketball trials at Shoalhaven Indoor Sports Centre. The District Soccer trials will be held on Wednesday 26th February. Mr Frost has selected children to attend these trials. Tennis trials are to be held on Friday 28th February. Please inform Mr Vidler if your child is a regular tennis player.

Yours in Sport,
Darren Vidler

Teaching someone to drive can be a **happy** experience.

You can learn all the simple steps on how to teach a learner driver at a **FREE** two hour workshop this **March**.

The next workshops in your area will be held:

TIME & DATE: VENUE:

5-7pm Thursday 12	Ulladulla High School Library
9-11am Saturday 21	Huskisson Public School Library
5.30-7.30pm Wednesday 25	Bomaderry High School
10-12pm Thursday 26	Nowra Library

BOOK NOW:

Contact Shoalhaven City Councils Road Safety Officer on **(02) 4429 3484** or email council@shoalhaven.nsw.gov.au

Please note registration is essential as numbers are limited.
